Dear Riley and Ashlea,

Thank you so much for joining us in Escaping Neil's Wheel. We very much appreciate the effort that you put into this event and hope that you enjoyed the experience. We are always grateful for the support from the community and given the very challenging past year, we are particularly grateful for your, and your donor's, commitment.

An amazing \$292,441 (and still counting) was raised for The Royal Children's Hospital from a total of 21 participants and 1076 donors. We are thrilled to have reached the million dollar mark which now takes the total raised from this event to over \$1.1 million since it began in 2018.

The funds raised will purchase a new ultrasound machine which has superior imaging quality, greater precision during procedures and reduced procedure time for patients. This is a vital piece of equipment that will make a real difference in the lives of patients and families at The Royal Children's Hospital.

The Good Friday Appeal relies on the generosity of the whole community and you have led the way. We once again thank you for your hard work and big heartedness in our 90th year.
